DREAMER PROPOSAL

As you may know, Congress is debating how to handle the issue of illegal immigrants who were brought to the country by their parents when they were young children, otherwise known as DREAMERS. One compromise being discussed in Congress would allow Dreamers to gain legal status if they arrived prior to the age of 16 and passed a Department of Homeland Security background check. In addition, they have to either serve in the military, attend college or hold a job for at least five years. Do you favor or oppose this proposal?
