

# BIDEN'S TAX AND SPEND POLICIES

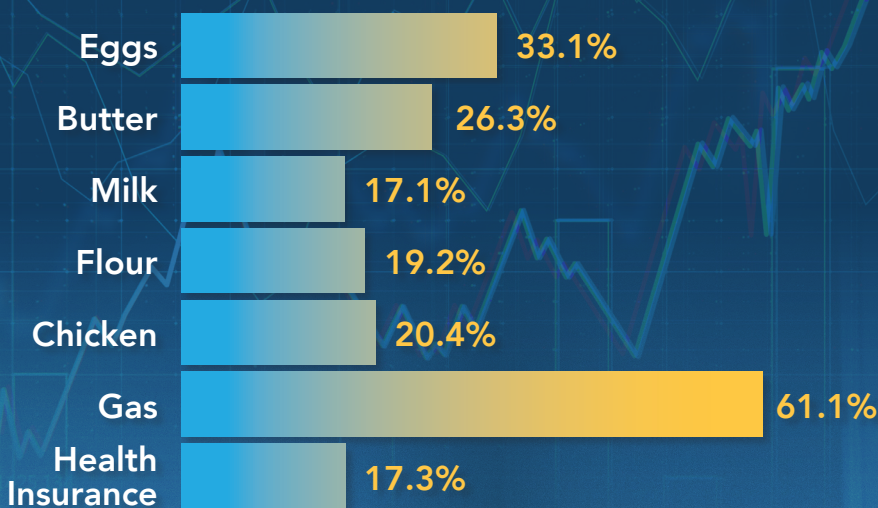

are hurting our families  
and driving us into a

## RECESSION.

The average American is losing more than  
**\$3,400** because of Biden's inflation  
*– and it's only getting worse.*

### COST INCREASES

Source: <https://datavisualizations.heritage.org/markets-and-finance/the-biden-inflation-tracker/>

Everything is getting  
more expensive.

*Can we afford to do  
nothing?*

# BIDEN'S BUILD BACK BROKE INCLUDES

- X** \$1 trillion in new spending and higher taxes **for nearly every family in America**
- X** Funding for 87,000 new IRS employees making the **IRS larger** than the Pentagon, State Department, FBI and Border Patrol COMBINED!
- X** **Bailouts for state and local governments** to fund union pet projects at taxpayer expense
- X** Subsidies to hire more federal workers and create a **business slush fund** for government to pick and choose winners and losers
- X** Obamacare subsidies that will **drive up the cost of care and prescription drugs** for most Americans
